

REQUEST FOR LEAVE OF ABSENCE OR WITHDRAWAL

Students must sometimes interrupt their studies for a variety of reasons (financial, academic, or personal). A student may leave the School of Nursing (SON) by either taking a leave of absence (leaving the school temporarily with the firm and stated intention of returning) or by withdrawing from the school (leaving the school with no intention of returning). It is expected that a student will meet with academic/faculty adviser to discuss this decision and/or use the academic resources available to assist with this decision.
