NFLP PRE - APPLICATION INFORMATION

Purpose
The purpose of Nurse Faculty Loan Program (NFLP) is to increase the number of qualified nursing faculty to facilitate education of nurses needed to address the nursing workforce shortage. This is achieved through the following:

- Recruitment of Masters and Doctoral nursing students to become nursing faculty
- Financial support to students enrolled in nursing degree programs that include educator coursework
- Retaining loan recipients as nurse faculty at accredited schools of nursing

The program offers partial loan forgiveness for borrowers that graduate and serve as full-time nursing faculty for the prescribed period of time. NFLP recipients may cancel 85 percent of the loan four years in return for serving full time as faculty in any accredited school of nursing.

NFLP Terms
NFLP recipients may receive up to $35,500 per year, which is allotted for tuition, books, and fees. Living expenses are not eligible to be covered by NFLP funding. To qualify for the 85% loan cancellation, NFLP recipients must be employed full-time as a Nursing faculty member over a consecutive four-year period. During this period:

- 20% of the loan is cancelled upon completion of employment for years 1, 2, and 3.
- 25% of the loan is cancelled upon completion of employment year 4.
- 15% of the loan is deferred while the borrower is employed during the four year period.
- After 4 years, the remaining 15% is repaid over 10 years at an interest rate of 3%.

Student Eligibility
The following requirements must be met in order to receive NFLP funding from the School of Nursing:

NFLP Application process
All NFLP recipients must meet and adhere to the above eligibility requirements. Upon receipt of the NFLP application, Student Financial Services awards NFLP funding with priority to previous year’s NFLP recipients and priority given to Doctoral applicants. The amount of available funding and application submission date are then considered.
