The Cost of Attendance (COA) reflects an estimate of new MSN Health Systems Management student’s educational expenses for the 2020-21 academic year. Students enrolled less than full-time will incur less charges. Direct expenses that will be charged to students include tuition and, if applicable, a Matriculation fee. Indirect expenses, marked with an asterisk, are estimates and not charged directly by the University. MSN students are billed per credit for tuition at $1,738 per credit.

1Tuition amounts are based upon the HSM Program of Study. Students enrolled Less Than Half-Time are not eligible for federal student aid.

2A projected increase of 3% was used to estimate Summer 2021 tuition costs. Actual costs will be determined in Spring 2021.

3All students must have health coverage. Purchase of the University’s plan is optional and if selected will be billed directly to the student’s account.

4Loan fees are not an additional charge to students. They are an allotment to help cover origination fees charged by the Department of Education.
