Committee decided that the 3rd Tuesday would be new meeting time from 12:30-1:30 pm (with the exception of August, which will happen August 31 @12:30. Room location TBD.

Tim will create a QR code suggestion/question box for staff, Julia will create a flyer and print it out to put around the school.

After we get some suggestions and questions we can further survey the staff to see what would be of interest going forward.

First event idea was an ice cream social on Tuesday, Sept 7th.

We need to get a budget together for this and for general operations.

If people want access to the SON-StaffCommittee@jhu.edu email they should let Dave know and he will make it happen.

Agenda Items for August’s meeting:

- Budget
- Ice Cream Social
- Halloween Festivities
- Ideas for staff engagement
