Register for a New Account

Fill out the form below in order to create a new account on this system. Once you've successfully registered, you'll be able to log in to the system immediately. Questions marked with a * are required.

Email Address *

First Name * **Last Name ***

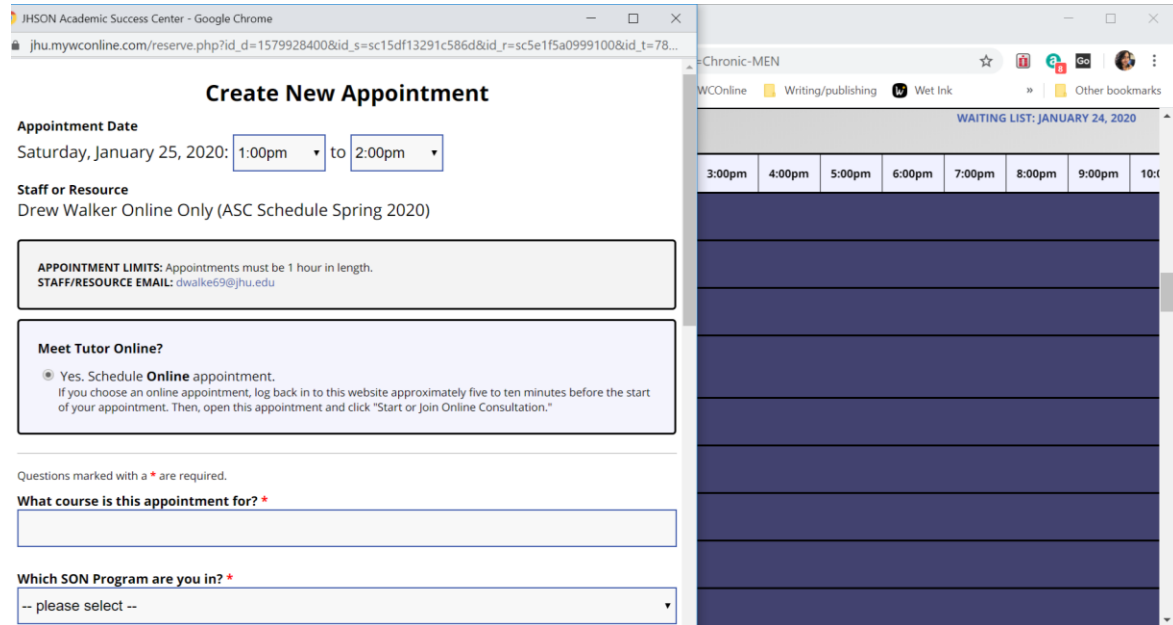

What is your phone number? *

What is your JHED ID? (Please note: Your JHED is different from your student ID number. Your JHED will have part of your name in it; your student ID will just be a string of numbers.) *

Which SON Program are you in? *

-- please select --

6. Click on the time you want your appointment to start. An appointment box will pop up, like below. Since I clicked on the 1pm box (circled in yellow on the image above), and since appointments are an hour in length, the appointment box creates an appointment for 1-2pm. Fill out the remainder of the appointment form.

7. If your appointment is successfully created, you will see a green confirmation box, like below. You should also receive an email confirming the details of your appointment. If you do not see the green confirmation box and/or receive a confirmation email, contact the ASC to make sure that your appointment was actually created.
