

CAPABLE Family Research Study

Do you have trouble doing activities you enjoy and also have some difficulty with your memory?

CAPABLE Family might be the right program for you!

WHO WE ARE:

A team of a nurse, occupational therapist, and handy worker that work with you to achieve your goals.

WHAT WE DO:

Meet with you at your home over 4 months to identify goals to improve your daily life.

WHO IS ELIGIBLE:

Adults over 60 in Baltimore City/County who do not live in a long term care setting. Care partners are also encouraged to participate.
