

CURRICULUM VITAE Part 1*Allison Kelliher***PERSONAL DATA**

Business address
Johns Hopkins University School of Nursing Research-Education Track 525 North Wolfe Street Baltimore, MD 21205 Phone: (410) 955-4766 Email : akellih1@jh.edu

EDUCATION

Year	Degree	Institution	Field
2005	BS	University of Alaska Fairbanks	BS Chemistry
2009	Residency	Alaska Family Practice Residency, Anchorage AK	Family Medicine
2005	MD	University of Washington School of Medicine, Seattle, WA	General Medicine
2001	BS	University of Alaska Fairbanks (UAF), Fairbanks Alaska	Indigenous Medicine, Chemistry

CURRENT LICENSE AND CERTIFICATION

Year	Source	Type	Number
2024	State of Maryland	Maryland State Medical License	
2024	State of Alaska	Alaska State Medical License	
2023	State of North Dakota	North Dakota Medical License	
2029	American Board of Family Physicians	Family Medicine Certification	
2032	American Board of Integrative Medicine	Integrative Medicine Certification	

PROFESSIONAL EXPERIENCE

Position	Dates	Institution and courses
Associate Faculty of Indigenous Knowledge and Practice Systems and Senior Research Associate	2023-present	Johns Hopkins University, School of Nursing, Research Education Track Co-appointment to Bloomberg School of Public Health Center for Indigenous Health, Baltimore, MD;

		Psychiatric Mental Health Certificate Program development
Adjunct Assistant Professor	2023-present	University of North Dakota, Department of Indigenous Health, School of Medicine and Health Sciences, Grand Forks, ND; American Indian Health Policy, Research collaborator
Clinician Scholar, Assistant Professor	2021-2023	Department of Family & Community Medicine, Department of Indigenous Health University of North Dakota, School of Medicine and Health Sciences, Grand Forks ND; Clinical History and Exam Skills PhD Indigenous Health Seminar Indigenous Health Policy
Director, Practice-Based Research Network	2021-2023	Department of Family & Community Medicine, Research Affairs, University of North Dakota, School of Medicine and Health Sciences, Grand Forks, ND
Clinical Instructor	2019-present	Department of Family Medicine, University of Washington, School of Medicine and Health Sciences, Seattle, WA; Clinical Preceptor
Non-Violent Direct-Action Camp Medic and Trainer	2019	Indigenous People's Power Project in conjunction with Greenpeace Workshop Sedalia, CO
Adjunct Professor	2017-present	WWAMI School of Medical Education, University of Alaska Anchorage, Anchorage, AK; Decolonizing Medicine Mind-Brain-Behavior Lifecycle Ecology of Health and Medicine Themes of Medicine
Medical Intern, Nurse Aide	2000	Alaska Native Tribal Health Consortium (ANTHC), Alaska Native Medical Center, Anchorage, AK

Research Assistant	1997-2000	Institute of Arctic Biology, Fairbanks, AK
Independent Living Specialist	2006-2007	Norton Sound Health Corporation, Nome, AK
Research Internship	1999	National Institutes of Deafness and Other Communication Disorders (NIDCD), Bethesda, MD.
Medical Intern	1997-1998	Norton Sound Health Corporation and Nome Medical Clinic, via Kawerak, Inc, Nome, AK

HONORS AND AWARDS

- 2022 University of Alaska Fairbanks, Distinguished Alumna Award
- 2022 Montana State University, Promoting Indigenous Research Leadership
- 2020 Sven Ebbeson Neuroscience Award, University of Alaska Fairbanks
- 2014 Tribal Doctor Certification, Southcentral Foundation, Anchorage, AK
- 2010 Indian Health Service Soaring Eagle Award
- 2001-05 Indian Health Service, Health Professions Scholarship
- 2001 John B. Syren Award, WWAMI promise of service
- 2001 STAR Award, National Park Service
- 2001 UAF Commencement Speaker
- 2000 UAF Undergraduate Research Opportunities Program Grant, Fall 2000
- 2000 American Heart Association, Science Fellowship
- 1996 Morris K. Udall Scholarship, 1996-97
- 1996-98 Doyon, Inc. Competitive Scholarship, 1996-97, 1997-98.
- 1996-98 UAF Stateroom Scholarship
- 1996 Outstanding Student of the Year, UAF, Rural Student Services
- 1996 Rotary International Scholarship recipient
- 1999-2000 National Honor Society, University of Alaska Fairbanks Chapter

RESEARCH:

SPONSORED PROJECTS RESEARCH

2024-current	Bristol Myers Squibb Foundation Co-investigator promotes Lung Cancer Screening and improving continuum of care for patients along with primary prevention of commercial tobacco use in partnership with traditional healers. \$3.2M
2024-2026	American Indian, Alaska Native, Native Hawaiian, and Pacific Islander Enrichment Initiative Research Opportunity, NIH Community Engagement Technical Assistance Center (CETAC), of the OT subaward, total 1.4M.
2023-current	Co-facilitated Connecting Climate Minds research project and presented at Connecting Climate Minds Global Research and Action Agenda on 3/20/2024.

2021-current	The Great Plains Initiative: Determine community-defined needs for identifying and addressing substance use issues to create a Great Plains American Indian addiction and recovery research agenda. Additionally, we aim to explore the feasibility of promoting the use of telehealth platforms to promote access to, and utilization of, medication for opioid use disorder treatment (MOUD) in tribal communities in the Great Plains. CTN-0129, 2022-2024 \$10,000,000 total award (subaward from Ohio Valley Node).
2021-2023	Dakota Community Collaborative on Translational Activity (DaCCoTA), administrative core, PBRN Director, supported by the National Institute of General Medical Sciences of the National Institutes of Health under Award Number U54GM128729
2021-2023	INMED, ANAMS Faculty Advisory
2007	Junior PI, Norton Sound Health Corporation (NSHC), Genetics of Coronary Artery Disease in Alaska Natives (GOCADAN) NIH R01 award number U01HL064244, Nome and Shaktoolik, AK

SPONSORED PROJECTS EDUCATIONAL

2022	Engaging pre-college students in working with authentic biomedical data to develop understandings about experimental design and clinical research. Established Program to Simulate Competitive Research (EPSCoR)\$15,000
-------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

PRACTICE

Position	Dates	Institution
Chief Medical Officer, and Clinician	2019-2022	Snow Creek Medicine, LLC Anchorage, AK 100%
Provider Medication Assisted Treatment Clinic	2019-2021	Anchorage Treatment Solutions, Baltimore, MD 100%
Primary Care Provider	2016-2019	Vitae Integrative Medical Center, Anchorage, AK.
Tribal Doctor	2014-2017	Traditional Healing Clinic, Southcentral Foundation, Anchorage, AK
Primary Care Provider	2012-2013	Southcentral Foundation, Anchorage, AK.
Primary Care Provider	2011-2012	Pascua Yaqui Health Center, El Rio Health Center, Tucson, AZ
Staff Physician	2009-2010	Indian Health Service, Sells, AZ

Conference Meetings/Presentations

International

Protecting our Planet, Protecting our Children: An Indigenous Vision for Intergenerational Health Symposium. Panelist. Johns Hopkins Center for Indigenous Health and Planetary Health Alliance. Washington, D.C., 11/23 (panel)

Updates from Turtle Island: Perspectives from American Indian and Alaska Native Health Leadership. Te Tira Hōu 2024 – Indigenous Leadership Cultural Safety Symposium, Virtual (hosted in Aotearoa, New Zealand), 3/24 (speaker)

The Indigenous School of Healing Arts and Sciences #2, Healing Our Spirits Worldwide, Vancouver, British Columbia, Canada, 9/23 (panel)

Climate Change Panel, Pacific Region Indigenous Doctors Congress (PRIDoC), Vancouver, British Columbia, Canada 7/22 (panel)

LGBTQIA2S+ Health Panel, Pacific Region Indigenous Doctors Congress (PRIDoC), Vancouver, British Columbia, Canada 7/22 (panel)

Curriculum Changes to Address Indigenous Academic Needs: Adjusting Medical Curriculum in an Inclusive Way, Pacific Region Indigenous Doctors Congress (PRIDoC), Vancouver, British Columbia, Canada 7/22 (panel)

Alaska Specialized Neuroscience Research Program and Conference, International Polar Year, 7/07 (opening remarks)

Keynote Address

Growing a Community Based Research Network, American Indian Collaborative Rural Research Network (AICoRN) Summit, Sioux Falls, SD 8/22 (podium)

Promoting Indigenous Research Through Collaborative Networks, Association of American Indian Physicians (AAIP) Annual Meeting, Washington, DC 7/22 (podium)

Botanicals for Respiratory Health: Evidence Based Approaches for Wellness. Association of American Indian Physicians (AAIP) Cross Cultural Medicine Workshop, Albuquerque, New Mexico 4/22 (podium)

Long COVID-19 Effects and Recovery: Information for Indian Country, National Indian Health Board, COVID-19 virtual presentation series, 3/22 (podium)

Variants and Safety of the COVID-19 Vaccine, National Indian Health Board Don't Miss Your Shot: COVID-19 Youth Summit, virtual presentation. 11/21 (podium)

Honoring Our Ways, Athabaskan Experience in Way Finding: Becoming a Physician for our People of Tomorrow. Doyon Inc. Annual Meeting. 3/09 (podium)

National

Antiracism in Solidarity, Lancet Commission on Decolonizing Health, Urban Institute, Washington, D.C., 10/23 (panelist)

Colorectal Cancer in Alaska Native: A Nutritional Approach to Prevention, ANTHC Colorectal Cancer Conference, Anchorage, AK 5/23 (podium)

Centering Indigeneity: Incorporating Tribes and Tribal Perspectives in Health Training, National

Revised 3/2024

Indian Health Board 2023 National Tribal Health Conference and Public Health Summit in Anchorage, AK 5/23 (panelist)

Hands on Modalities: Traditional Healing Workshop. Association of American Indian Physicians (AAIP) Cross Cultural Medicine Workshop, Albuquerque, New Mexico 4/23 (podium, workshop)

AICoRN Growing a Community Based Research Network, Doing Research In Indigenous Communities National Conference, Phoenix, AZ, 12/22 (podium)

Decolonizing and Indigenizing Medical Education. National Indian Health Board Annual Meeting, Washington, DC 9/22 (podium)

Vaccination for SARS CoV-2 and Health Equity Panel. Public Health Law Summit, Baltimore, MD 9/22 (panel)

Hands on Modalities: Traditional Healing Workshop with Emphasis on Osteopathic Manipulation. Association of American Indian Physicians (AAIP) Cross Cultural Medicine Workshop, Albuquerque, New Mexico 4/22 (podium, workshop)

The Power of Practice- Based Research Networks, Introduction to AICoRN, Rural PREP (preparing for rural practice), RTT Collaborative, from Rural Training Tracks to Rural Training, Annual Meeting, Virtual event, Grand Forks, North Dakota 1/22 (podium)

Becoming My Ancestors: One Doctors Path, Mayo Clinic Pre-Medicine Workshop, Native American Pathways Program, Rochester MN, 11/21

American Indian Health Workforce Development, Reservation Economic Summit, Co-Presentation with Mayo Clinic, 2020 Las Vegas, July 20, 2021 (podium)

Cedar and Sage Wellness: Stress, Anxiety, Insomnia an Indigenous Approach to Stress Management, Association of American Indian Physicians (AAIP), Cedar and Sage Wellness Hour, Wellness Committee 11/20 (podium)

Evidence Based Use of Plants for Diabetes, Association of American Indian Physicians Annual Conference, Pheonix, AZ 7/18 (podium)

Foundations for Health: Earth and Water as Medicine, Association of American Indian Physicians, Cross Cultural Medicine Workshop Santa Fe, NM 4/18 (podium)

Living With the Seasons, Evidence Based Approaches to Botanicals for Diabetes Type 2, Diabetes in Indian Country, Special Diabetes Program for Indians, Albuquerque, New Mexico 9/17 (podium)

Ascorbate Decay in Hibernating and Euthermic Ground Squirrel Plasma. Kelliher A. M., Duffy L.K., Drew K.L., Society for Advancement of Chicanos and Native Americans in Science (SACNAS), Conference, Atlanta, GA 2000. (poster presentation)

Differences in Th1/Th2 Cytokine Profiles and Lymphocyte Surface Markers in Spleen Cells of Tumor Bearing Mice. Kelliher A., Nejad-Sattarri M., Loose B., Yeh N., Cheng A., Chen Z., Van Waes C., National Institutes of Health (NIH), National Institutes of Deafness and Other Communication Disorders, Bethesda, MD 7/1999. (poster presentation)

Addressing American Indian and Alaska Native Underrepresentation in Health Care. National Institutes of Health, National Institutes of Deafness and other Communication Disorders Diversity Event for Native Americans, Bethesda, Maryland 7/99 (podium)

Regional

Traditional Healing: Ceremony and Land-Based Ways, Alaska Just Transition Summit, Juneau, AK, 3/24 (podium)

The Future of Diversity in Allergic Disease Research: NIAID Strategies and Next Steps, Understanding and Addressing Disparities in Asthma and Allergic Diseases Research, National Institute of Allergy and Infectious Diseases (NIAID), National Institutes of Health (NIH). Rockville, MD. 12/23 (roundtable)

The Great Plains Initiative Updates in Behavioral Health Research Needs, Great Plains Area Behavioral Health Directors Association, Rapid City, SD, 9/23 (podium)

Traditional Alaska Native Healing: Research Overview, Alaska Indigenous Research Program, Anchorage, AK 5/23 (podium)

Practice-Based Research Networks in Addressing Colorectal Cancer Research, Walking Forward Annual Conference, Rapid City, SD, 12/22 (podium)

Indigenous People's Day Celebration, Community Healthcare Association of the Dakotas Webinar, Fargo, ND 10/22 (podium)

Engaging Native American Patients and Communities, Community Healthcare Association of the Dakotas, Leadership at the Lake, 9/22 (podium)

Indigenous Health Equity Panel, Pathways to Health Equity Symposium, Cancer Consortium; Fred Hutchinson Cancer Center, University of Washington, University of Washington Hospital, Seattle, Washington, 5/22 (panel)

Indigenous Pediatric Mental health and Cultural Considerations, Project ECHO Pediatric Mental Health teleECHO session, Grand Forks, North Dakota 5/22 (podium)

AICoRN Growing a Community Based Research Network, Indigenous Trauma and Resilience Research Center, COBRE, University of North Dakota, Grand Forks ND 4/22 (podium)

Perspectives in Caring for Mental Health of American Indian Pediatric Patients, North Dakota Pediatric Providers, Center for Rural Health ECHO virtual presentation, Grand Forks, North Dakota 4/22 (podium)

Decolonizing Medicine, Themes in Medicine course, University of Washington School of Medicine, WWAMI program: Washington, Wyoming, Alaska, Montana and Idaho, Anchorage, Alaska 3/22 (podium)

Health Equity: Social Determinants of Health, Bias and our Future. Mayo Medical School Arizona and Minnesota Campuses Equity Lecture, 11/21

How Colonization Has Reshaped Experiences of the Body. Bunnell Street Arts Center, virtual, 10/13/22 (panel)

Practice-Based Research Networks, the American Indian Collaborative Research Network (AICoRN) Overview and Request for Proposals, virtual event, University of North Dakota and North Dakota State University, Grand Forks, North Dakota 3/21 (podium)

Palliative Care and Culture, American Indian and Alaska Native Perspectives, Organizing Palliative Care for Rural Populations, collaboration with the North Dakota Center for Rural Health, ECHO virtual presentation, Grand Forks, North Dakota 1/25/22 (podium)

Telemedicine Medication Assisted Therapy: Opportunities in Tribal Communities. Great Plains Behavioral Health Directors: Annual Conference, 9/22/21 (podium)

Innovative Strategies to Promote Health Equity in Indian Country. Great Plains Behavioral Health Directors Annual Meeting, 9/21 (co-presenter podium)

Practice-Based Research Network Overview, Dakota Community Collaborative on Translational Activity (DaCCoTA) Conference, DaCCoTA Annual Meeting, 7/21(roundtable)

Welcome to Dakota Community Collaborative on Translational Activity (DaCCoTA) Conference, DaCCoTA Annual Meeting, 7/21(podium, opening remarks)

Decolonizing Medicine, Themes in Medicine course, University of Washington School of Medicine, WWAMI program: Washington, Wyoming, Alaska, Montana and Idaho, Anchorage, Alaska 2/21 (podium)

Revised 3/2024

Value of Traditional Ways, Indigenous People's Day State of Alaska Celebration Virtual Event, Anchorage, Alaska 10/20 (podium)

Path to Traditional Healing, Sharing Story for Health, One Health Research Conference of Alaska (ORCA), Biomedical Learning and Student Training at University of Alaska Fairbanks, Fairbanks, Alaska 5/19 (podium)

Traditional Alaska Native Healing and Cancer, Alaska Native Health Research Conference, Alaska Native Tribal Health Consortium (ANTHC), Anchorage, Alaska 3/19 (podium)

Botanical Approach to Diabetes: Using Evidence and Practice as a Guide, Nudenlyaho Quydalyi, Alaska Plants as Food and Medicine Kenai, Alaska 9/17 (podium)

Addressing Community Needs: Bringing Awareness of the Influence of Toxins. Children's Environmental Health Summit 2016, Alaska Community Action on Toxics, 11/16 (panel)

Plants as Food and Medicine: Local Plant Workshop, Alaska Native Tribal Health Consortium, Alaska Plants as Food and Medicine Regional Conference Fairbanks, AK 9/16 (podium)

Healthy Fats: Traditional and Western Perspectives of Evidence to Support Our Food Systems, Alaska Native Tribal Health Consortium, Alaska Plants as Food and Medicine Conference, Southcentral Foundation 5/16 (panel)

Plant Salve Workshop, First Alaskans Institute, Alaska Federation of Natives, Elders and Youth Conference. Anchorage, AK. 10/15 (podium)

Natural Plant Medicine Approaches to Diabetes, Alaska Native Tribal Health Consortium, 27th Annual Alaska Native Diabetes Conference, Anchorage, AK. 12/15 (podium)

Tea Tasting: Practical Application of Knowledges, Alaska Native Plants for Health, Alaska Native Tribal Health Consortium, 27th Annual Alaska Native Diabetes Conference Anchorage, AK. 12/15 (podium)

Nature as Medicine: Breathe, Body and Air Emerging Harmony, AK Plants As Food and Medicine Symposium, Alaska Native Tribal Health Consortium. Alaska Plants as Food and Medicine Conference. 6/15 (podium)

Spring Tundra Plants as Food and Medicine, Kawerak, Inc & Rural Alaska Community Action Program (RurAl CAP) 32nd Rural Providers Conference. Nome, AK 5/2015 (podium, workshop)

Complimentary Medicine Options for Chronic Pain, Doyon, Inc Annual Meeting. Tanana Chiefs Conference Coalition for Integrating Alternative Medicine, 3/15 (podium)

Revised 3/2024

Plant Medicines and Recognizing Ancestor, Summer Youth Training Health Professions. Tanana Chiefs Conference, Galena, Alaska. 7/08 (podium, workshop)

Seasonality and Event Related Brain Potentials, Kelliher A., Hartmann A., Behavioral Sciences Conference, Anchorage, AK 2001. (poster presentation)

Ascorbate Decay in Hibernating and Euthermic Ground Squirrel Plasma, Kelliher A., M., Duffy L. K., Drew K.L., American Association for the Advancement of Science (AAAS) Arctic Science Conference, Denali Park, AK 2000. (poster presentation)

Local

Anti-racism and Moving Toward Health Equity Panel (discussed strategies for combating systemic racism in healthcare, shared insights on health equity, and advocated for policy change.) Georgetown University, Washington, D.C., 10/23 (virtual panelist).

Celebrating Native Land on Indigenous Peoples Day, Johns Hopkins School of Nursing, Baltimore, Maryland, 10/23 (speaker)

"*The Experts Say*" Interview with Laura Williamson, The American Heart Association, 10/2023 (interviewee)

Respecting Tribal Sovereignty When Engaging in Collaborative Research Projects with American Indian, Alaska Native, and Indigenous Canadian Communities: Perspectives from the US and Canada, IHEAL: Indigenous Health Educators Alliance", and "Indigenous Health Education and Resource Task Force (IHEART), AAIP's 51st Annual Meeting and Health Conference, Paradise Point Resort & Spa, San Diego, CA, 9/23 (panelist)

Indigenizing Medicine, Planetary Health and Traditional Healing, CLIMB INMED UND SMHS, 6/23 (podium)

Indigenous Health Policy, Perspectives on Alaska, Overview of Alaska Native Claims Settlement act and TB Vaccine Experiment, Indigenous Health 784, University of North Dakota PhD/MPH Course, Grand Forks, ND 1/24/23 (podium)

Trauma Informed Tribal Behavioral Health Care, Nagi Gluwasaka Pi Kte "Strengthening the Spirit", Educational Cultural Healing Gathering, Oaya Luta Okalakiciye, Rapid City, SD 12/14/22 (podium)

Traditional Healing: A Land Based Perspective, Diversity Summit 2022; University of Wisconsin, Madison, WI, 9/22 (podium)

Revised 3/2024

Integrating Family Medicine and Traditional indigenous Healing, Minnesota Academy of Family Practice Annual Meeting, Nisswa, MN 8/22 (podium)

Indigenous Health Equity Panel, Inclusive Research and Data Sovereignty. Pathways to Equity Symposium, Cancer Consortium; Fred Hutchinson Cancer Research Center, Seattle Children's Hospital, University of Washington, Seattle, WA, 5/22 (panel)

Traditional Indigenous Medicine; Perspectives of a Traditional Healer Physician, Wokini Initiative Elder in-Residence Conference, South Dakota State University, Brookings, South Dakota, 4/12/22 (podium)

Research with Indigenous Communities; Creating Safe and Relevant Spaces for Wellness Now, Wokini Initiative Elder in-Residence Conference, South Dakota State University, Brookings, South Dakota, 4/13/22 (podium)

Health Considerations for LGBTQ2+ Populations, University of North Dakota, Diversity Clinical Elective for Medical Students, guest speaker, Grand Forks, North Dakota 2/22 (podium)

Anti-Racism and Moving Toward Health Equity, Georgetown Medical School, Patients, Populations & Policy Course, virtual panel member, Washington DC 10/21 (panel)

Review of Tundra Plants and their Medicinal Properties, Anvil City Science Academy, Middle-School Science Class, two day event. Nome, Alaska 9/21 (podium)

Traditional Healing and Clinical Practice, Native American Pathways Program, Mayo Medical School, virtual guest speaker. Phoenix, Arizona 8/21 (podium)

Being an Indigenous Physician, Integrating Tradition into Practice. University of North Dakota Summer Institute, virtual guest speaker, Grand Forks, North Dakota 6/21 (podium)

Overview of Traditional Alaska Native and American Indian Healing Methodologies, and Orientation to the Practice. Indigenous PhD seminar, Department of Indigenous Health, University of North Dakota, Anchorage, Alaska 3/21 (podium)

Traditional Healing in Times of Climate Change. Alaska Collaborative on Health and the Environment, Alaska Community Action on Toxics Conference, Anchorage, Alaska 3/21 (podium)

Empathy in Dire Circumstances Youth Empowerment Seminar, Alaska Network on Domestic Violence & Sexual Assault, 3rd annual Youth Empowerment Party, Anchorage, Alaska 2/21 (podium)

Historical Trauma, One perspective of Influence and Inspiration of Story, Seattle Children's Hospital, Journal Club and Educational Seminar, University of Washington Pediatric Residency Program, Seattle, Washington 2/21 (podium)

Pain in Cultural Context (Practical Botanicals), University of Washington School of Medicine, University of Alaska Anchorage, Themes in Medicine, Anchorage, Alaska 11/20 (podium)

Following Your Passion: Understanding Your Own Story. Transcultural Medicine Rotation, Alaska Family Medicine Residency, Anchorage, Alaska 12/20 (podium)

Nature as Medicine: Breathe and Bodywork and Movement for Wellness, Alaska Holistic Wellness Gathering, Anchorage, Alaska 9/20 (podium)

Plant Companions and Domestic Violence Prevention, Seldovia Village Tribe Domestic Violence Prevention Workshop Facilitation, Seldovia, Alaska 7/20 (podium)

Indigenous Women & Health Disparities, Rural Development Women's Studies Course, University of Alaska Fairbanks, Fairbanks, Alaska 10/18 (podium)

Listening to Plant Medicine: Review of the History of Integrative Medicine, Tanana Chiefs Conference (TCC), Dena' Nena' Henash or "Our Land Speaks", Staff Provider CME 5/17 (podium)

Cultural Considerations for Patients and Customer Owners. Grand Rounds, Alaska Native Medical Center, 7/17

Traditional Teas For Health: Translating Traditions to Science, Samuel Simmonds Hospital, Community Wellness and Diabetes Prevention Health Fair, Barrow/Utqiagvik, AK. 1/16 (podium)

Alaskan Plants as Food and Medicine: Local Application of Knowledges in Daily Practice, Anchorage Museum, Think UP HERE: A Series of Presentations and Conversations Anchorage, AK. 8/15 (podium)

Believe in Yourself, Your Ancestors Live Through You. Galena City Schools High School Graduation Speaker, Galena, AK. 5/09 (podium)

Traditional Alaska Native Plant Use, Denali National Park, National Park Service Educational Event, 8/2001 (podium)

Acknowledging Traditional Ways as a Way Forward in Medicine, University of Alaska Fairbanks, Commencement Speaker, 2001. (podium)

Analysis of N-N-dimethyl-4-methoxybenzamide. Kelliher A., Keller J., Organic Chemistry Annual Conference, University of Alaska Fairbanks, Fairbanks, AK 2000. (poster presentation)
