

Short Bio:

Tariq Syed, Pharm D has worked as a Sr. Research Subjects Specialist, and Drug Specialist, for over 7 years at the Institutional Review Board (IRB) at the Johns Hopkins Bloomberg School of Public Health. He has taught the IRB section of the RCTP course from more than 4 years. Dr. Syed has extensive experience and working knowledge of both regulatory requirements and various pharmaceutical dosage forms. He also holds a Clinical Research Pharmacist (casual/on call) position at Behavioral Pharmacology Research Unit at Johns Hopkins Bayview Medical Center.

Prior to joining the JHSPH IRB Dr. Syed served as a scientist for a drug company (Pharmaceutics Int. Inc.) for a period of 3 years. During this time he also held different positions in both retail and hospital pharmacies.

Dr. Syed earned his B.S. in Pharmacy from Karachi University in Pakistan in 2003, his M.S. in Clinical Research Administration from The George Washington University in 2009 and Pharm D. degree from Karachi University in Pakistan in 2012. He is an active registered Pharmacist and Immunizer in the State of Maryland since May 2014.
