Looking for a leadership position at JHUSON? The Palliative Care Student Interest Group is recruiting!

LEADERSHIP CANDIDATES SHOULD:

- Be interested in patient-centered care using holistic nursing strategies.
- Have a desire to increase the quality of life for patients with a serious/life-threatening illness such as cancer, psychiatric and substance use disorders, sickle cell anemia, Alzheimer’s, COPD, heart disease, etc.
- Feel passion for advocacy roles that optimize symptom/pain management.
- Desire opportunities to network and collaborate, true to Palliative Care ethos. They will connect with expert RNs and other student groups to enhance campus culture.
- Want to use creative methods for increasing SON nursing students’ understanding of end of life care (Hospice) and Palliative Care.
