HIV Counseling & Testing Program

Baltimore has one of the highest rates of adults living with HIV in the United States. Do you want to support your community as a health professional student? Become an HIV counselor and tester through SOURCE! Once trained and certified in HIV Counseling and Testing by the State of Maryland through self-paced modules, students will volunteer at **Harriet Lane Clinic or The Pride Center of Maryland** throughout the 2024-2025 academic year. Read participation requirements and more details at SOURCE.jhu.edu/HIV.

Application Deadline: Tue, Oct. 1

Info Session via Zoom: Mon, Sept. 23
