

NEIGHBORHOOD CARE PATHWAYS

Artwork credit: Isaih Robinson, local Greenmount West artist and community leader.

Your Community, Your Choice, Your Path!

A research study for a new community health navigation program that supports healthy aging.

We offer:

- Screening for unmet health needs and personal wellness planning
- Health education and check-ins with a care navigator
- Support finding and connecting with resources
- Over-the-counter health products and in home services based on your needs

Whether you're healthy, or need assistance, we have something to offer.

Telephone: 410.550.6744

Email: carepathways@jh.edu
